

The logo consists of a large red square with a white border. Inside the square, the text "LineJumper" is written in white.

LineJumper

What is LineJumper?

LineJumper will be a mobile game where players follow paths and avoid obstacles to increase their score.

The goal of the player will be to achieve the highest score they can, and they will be able to compare their scores to all other player scores.

As they progress in the game the speed at which the obstacles approach the player will increase making the game more difficult.

How to Play

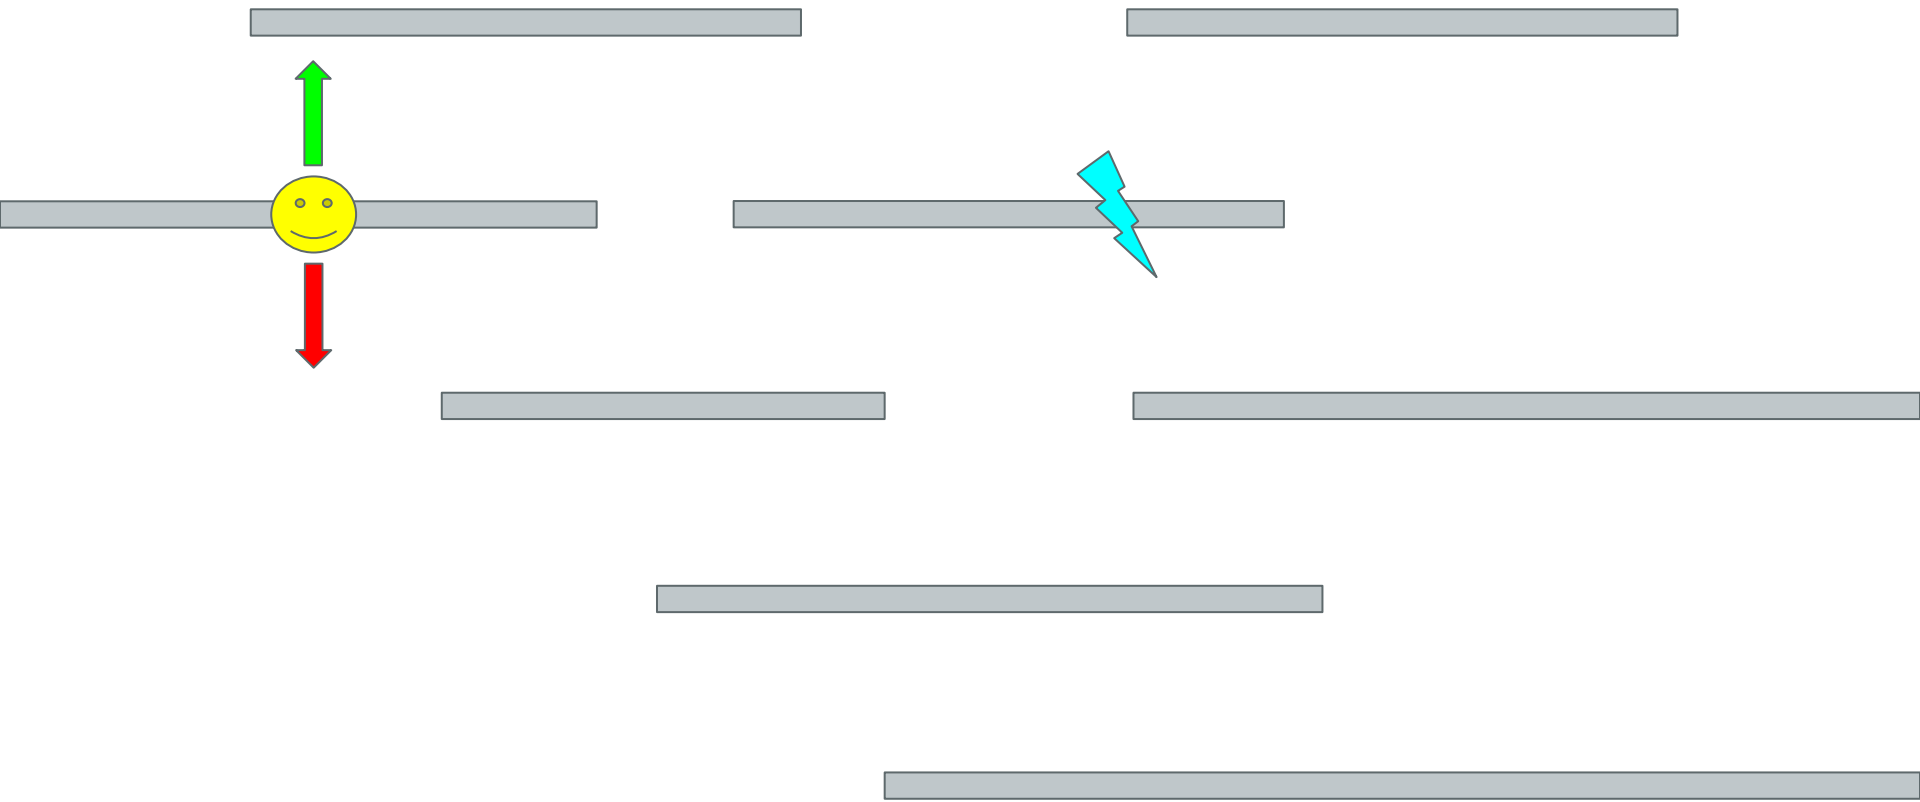

Tap the top half of the screen to “jump” up

Tap the bottom half of the screen to “jump” down

Stay on a line to keep progressing

Fall off a line or hit an obstacle to lose
